

Allrack Data Cabinets – Floor-standing

The Allrack Floor-standing data cabinets are high quality and cost effective 19" racks. All doors and panels are lockable and removable giving all round access. The fully adjustable 19" mounting profiles are printed numerically with the "U" height, for ease of installation and future use. Cable entry is from directly underneath.

The Allrack cabinets come with the following items:

- 2 way roof mount fan tray (800mm and 1000mm deep versions come with 4 way roof mount fan trays)
- 2 x fixed shelves
- Set of 4 heavy duty castors
- Set of 4 leveling feet

Allrack Data Cabinets – Floor-standing
