

Allrack 42u 800mm x 800mm Floor Cabinet

New to the Allrack Floor-standing cabinet range is this high quality and cost effective 19" rack. All doors and panels are lockable and removable, giving all round access to the cabinet. Cable entry is from directly underneath. Full height cable channels on both sides of the cabinet provide excellent cable management. The mounting profiles are marked with each U, for ease of installation and future use.

A 100mm high plinth kit is available separately for this item.

Allrack 42u 800mm x 800mm Floor Cabinet
